WHAT OUR READERS SAY

'A very fine magazine, I really enjoy reading it.'

'I enjoy the magazine very much and think the quality of the writing far exceeds that of most other publications these days.'

'I think *The Strad* is an excellent magazine, and the only one that I would want to subscribe to. I look forward each month for it to come through my letterbox.'

'It is an excellent magazine. You have extremely good articles that continue to interest me.'

'It's a great magazine, well done!'

'A nice magazine that has managed to stay interesting in a volatile market.'

'As a maker with limited access to great instruments, I can't praise your articles on instruments and posters enough. Over recent years, both the accompanying text and the high quality photographs have been invaluable. Thanks very much!'

'We now live in an era when students can easily study in two or three different continents and end up earning their living somewhere else still. *The Strad* gives news of their activities and their friends' – *Philippe Graffin*

'We fiddlers are a far-flung community made that much closer once a month reading *The Strad* magazine' – *Arnold Steinhardt*
